At Centennial Parklands Equestrian Centre, horse lovers can ride through almost 4 km of magnificent tree lined horse tracks, pass by expansive parklands and alongside spectacular ponds rich in wildlife, all within 2 km of the city centre.

Horse care

Centennial Parklands Equestrian Centre offers high quality stabling facilities and horse care within a superb inner city location. Here, you can care for your horse yourself or choose to have full or part board.

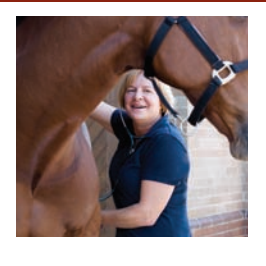

Amongst the 200 stables on site, we have five levels of stabling to suit your budget and the size of your horse, including premium stabling areas suited to stallions, large geldings and FEI geldings.

Naturally, when you board your horse with Centennial Parklands Equestrian Centre, you'll have access to the facilities in the Centre and if you choose, to the Equestrian Grounds in Centennial Park. In addition, you'll enjoy the convenience of a veterinarian, farrier and agistment provider all on site.

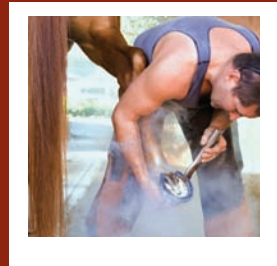

Opportunities for kids

We cater to the special needs of children with Parklands pony rides, individual and group lessons.

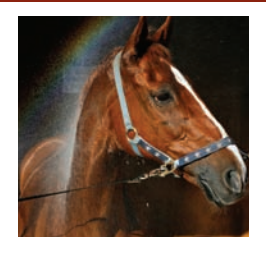

Birthday parties are another safe and fun way for children to experience riding. Also our school holiday horse riding camps offer an amazing opportunity to further children's riding skills and learn about day-to-day horse care. No experience is necessary and riding boots and a helmet are provided.
