

## Covid-19 Stable Hold Application

Centennial Park and Moore Park Trust (the Trust) is varying the Application and Stable Booking terms and conditions 3 (c) and (d) to assist clients in making alternative arrangements for the care of their horse(s) during the current COVID-19 pandemic and to support you in these uncertain times.

### By completing this form you are:

- electing to remove your horse from Centennial Parklands Equestrian Centre (CPEC) and place a hold on the stable which your horse occupies during the current Covid-19 pandemic;
- indicating your intent to recommence stabling your horse at CPEC following notification from CPEC Management that the hold period is over; and
- **accepting the following Terms and Conditions:**

The stable bond paid at the commencement of your booking will be held by the Trust.

A fee of \$150 per month will be billed for storage of tack in your allocated shared tack room. A client may elect to cancel this option and remove all tack from CPEC and this fee will not apply (please indicate where applicable page 2).

A fee of \$100 per month will be billed for storage of feed in your allocated shared feed room, A client may elect to cancel this option and remove all feed from CPEC and this fee will not apply (please indicate where applicable page 2).

Notification of Absence credits for the quarter(s) in which the Stable Hold covers are forfeited.

### Bringing your horse back into CPEC:

Prior to a client recommencing stabling their horse at CPEC all accounts must be up to date and the following must be submitted:

- Completed Animal Health Declaration form
- Tetanus & Strangles vaccination certificate;
- Insurance certificate for public liability and riding

The recommencement of stable hire must start within four weeks of notification by CPEC Management that the COVID-19 Stable Hold period has ceased. If the applicant has not brought their horse back to CPEC by the end of the four week period, full stable and other associated booking fees will commence.
