Sample procedures for teachers

Provide to students with lower levels of readiness

Task 1. Blubber glove

1. Glue pillow fluff to outside of dishwashing glove
2. Fill dishwashing glove with lard (blubber) using spatula
3. Put on latex glove and wear dishwashing glove on top

Task 2. Huddling cans

1. Pour equal amounts of warm water into 9 cans
2. Place 8 soft drink cans together, modelling huddling
3. Place one can on its own
4. Place thermometer in can of water in the middle of the 8 cans, and another in the can by itself
5. Measure temperature over time every 2 minutes for 10 minutes
