

# APPENDICES

## LIST OF TREE SPECIES ASSOCIATED WITH CENTENNIAL PARKLANDS

The following tree species were used at different times during the history of the parklands. It should be noted that they were not all successful. The future planting of poorly performing species should be discouraged.

### TREES ASSOCIATED WITH MOORE AND JONES (1887 - 1896)

<i>Araucaria heterophylla</i>	Norfolk Island Pine
<i>Araucaria columnaris</i>	Cook Pine, New Caledonia Pine
<i>Araucaria cunninghamii</i>	Hoop Pine
<i>Corynocarpus laevigatus</i>	Karaka
<i>Ficus macrophylla</i>	Moreton Bay Fig
<i>Ficus rubiginosa</i>	Port Jackson Fig
<i>Grevillea robusta</i>	Silky Oak
<i>Pinus halepensis</i>	Aleppo Pine
<i>Pinus radiata</i>	Monterey Pine
<i>Salix babylonica</i>	Weeping Willow
<i>Ulmus procera</i>	English Elm

### TREES ASSOCIATED WITH MAIDEN AND FORSYTH (1896 - 1924)

<i>Acacia baileyana</i>	Cootamundra Wattle
<i>Acacia binerva</i>	Coast Myall
<i>Allocasuarina glauca</i>	Swamp She Oak
<i>Callitris</i> sp.	Native cypress varieties
<i>Erythrina x sykesii</i>	Coral Tree
<i>Eucalyptus microcorys</i>	Tallowwood
<i>Eucalyptus robusta</i>	Swamp Mahogany
<i>Ficus rubiginosa</i>	Port Jackson Fig
<i>Lophostemon confertus</i>	Brush Box
<i>Melaleuca quinquenervia</i>	Five-veined Paperbark
<i>Phoenix canariensis</i>	Canary Islands Date Palm
<i>Phoenix dactylifera</i>	Date Palm
<i>Phoenix reclinata</i>	African Wild Date Palm
<i>Quercus ilex</i>	Holly Oak, Holm Oak
<i>Strelitzia nicholai</i>	Bird of Paradise Tree
<i>Syagrus romanzoffianum</i>	Queen Palm
<i>Washingtonia robusta</i>	Mexican Washington Palm

### TREES ASSOCIATED WITH POST 1924 PLANTINGS

<i>Afrocarpus falcatus</i>	Yellowwood
<i>Cupaniopsis anacardioides</i>	Tuckeroo
<i>Populus nigra</i> var. <i>italica</i>	Lombardy Poplar
<i>Liquidambar styraciflua</i>	Liquidambar, Sweet Gum
<i>Monotoca elliptica</i>	
<i>Pinus pinaster</i>	Maritime Pine
<i>Melaleuca armillaris</i>	Bracelet Honey Myrtle
<i>Ficus microcarpa</i> var. <i>hillii</i>	Hill's Fig

### TREES THAT HAVE PERFORMED POORLY IN THE PAST

<i>Acacia longifolia</i>	Coast Wattle
<i>Agonis flexuosa</i>	Weeping Peppermint
<i>Eucalyptus luehmanniana</i>	
<i>Pinus halepensis</i>	Aleppo Pine
<i>Populus alba</i> 'Pyramidalis' (syn. <i>P. bolleana</i> )	Bolleana Poplar
<i>Populus alba</i>	Silver Leaf Poplar, White Poplar
<i>Quercus robur</i>	English Oak
<i>Ulmus procera</i>	English Elm

### TREES WITH STRUCTURAL OR OTHER PUBLIC RISK CONCERNS

<i>Erythrina x sykesii</i>	Coral Tree
<i>Ficus microcarpa</i> var. <i>hillii</i>	Hill's Fig

### TREES PRONE TO DISEASE OR PEST ATTACK

<i>Phoenix canariensis</i>	Canary Islands Date Palm
<i>Washingtonia</i> spp.	
<i>Pinus halepensis</i>	Aleppo Pine

### TREES WORTHY OF WIDER USE

<i>Afrocarpus falcatus</i>	Yellowwood
<i>Agathis robusta</i>	Queensland Kauri
<i>Alphitonia excelsa</i>	Red Ash
<i>Angophora floribunda</i>	Rough-barked Apple
<i>Araucaria columnaris</i>	Cook's Pine
<i>Araucaria cunninghamii</i>	Hoop Pine
<i>Butia capitata</i>	Jelly Palm
<i>Callitris</i> spp.	Native cypress varieties
<i>Cordyline australis</i>	New Zealand Cabbage Tree
<i>Cupaniopsis anacardioides</i>	Tuckeroo
<i>Cyathea australis</i>	Rough Tree Fern
<i>Eucalyptus eximia</i>	Yellow Bloodwood
<i>Eucalyptus grandis</i>	Flooded Gum
<i>Ficus superba</i> var. <i>henneana</i>	Deciduous Fig, Cedar Fig
<i>Ficus virens</i>	Green Fig
<i>Flindersia australis</i>	Crow's Ash
<i>Glochidion ferdinandii</i>	Cheese Tree
<i>Juniperus chinensis</i>	Eastern Red Cedar
<i>Liquidambar styraciflua</i> 'Festeri'	Sweet Gum
<i>Livistona australis</i>	Cabbage Tree Palm
<i>Livistona chinensis</i>	Chinese Fringe Palm
<i>Lophostemon confertus</i>	Brush Box
<i>Phytolacca dioica</i>	Ombu
<i>Podocarpus elatus</i>	She-pine
<i>Quercus ilex</i>	Holly Oak
<i>Quercus suber</i>	Cork Oak

---

<i>Quercus virginiana</i>	Live Oak
<i>Salix</i> spp.	Willow varieties
<i>Strelitzia nicolai</i>	Flowering Banana
<i>Syzygium</i> spp.	Lilly Pilly varieties
<i>Taxodium distichum</i>	Swamp Cypress
<i>Tristaniopsis laurina</i>	Water Gum

**TREES WORTHY OF INTRODUCTION**

<i>Aloe bainesii</i>	Tree Aloe
<i>Angophora costata</i>	Smooth Barked Apple
<i>Bauhinia</i> spp.	Orchid Tree
<i>Brachychiton acerifolia</i>	Illawarra Flame Tree
<i>Brachychiton discolor</i>	Queensland Lace Bark
<i>Castanospermum australe</i>	Qld. Black Bean
<i>Diploglottis australis</i>	Tamarind
<i>Dracaena draco</i>	Dragon Tree
<i>Elaeocarpus grandis</i>	Silver Quandong
<i>Harpullia pendula</i>	Tulipwood
<i>Jubaea chilensis</i>	Chilean Wine Palm
<i>Koelreuteria paniculata</i>	Golden rain Tree
<i>Metasequoia glyptostroboides</i>	Dawn Redwood
<i>Metrosideros excelsa</i>	Pohutokawa, NZ Christmas Tree
<i>Pararchidendron pruinosum</i>	
<i>Sapium sebiferum</i>	Chinese Tallow Tree
<i>Schinus areira</i>	Peppercorn Tree
<i>Schinus terebinthifolius</i>	Brazilian Pepper Tree
<i>Spathodea campanulata</i>	African Tulip Tree
<i>Wollemia nobilis</i>	Wollemi Pine
